Some examples of dredging equipment

DREDGE PUMP

TRAILING SUCTION
HOPPER DREDGER

DREDGING WHEEL

GRAB DREDGER

CUTTER SUCTION DREDGER

IHC Holland NV

Organization dredging cluster

IHC Dredgers

Custom-built dredging equipment

IHC Beaver Dredgers

Standardized dredging equipment

IHC Mining

Alluvial mining

IHC Parts & Services

Spare parts, after-sales, dredging advice

IHC Engineering & Renovation

Co-operation for building and renovations

MTI Holland B.V.

Research, development, consultancy, training

IHC Systems B.V.

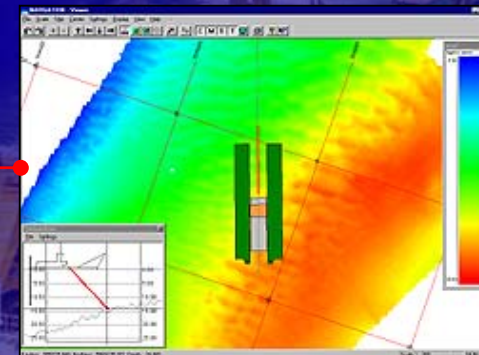

Dredging instrumentation and automation

Promin B.V.

Processing technology for sand and gravel

IHC Delta Shipyard

Tugs and workboats

Examples of mining with dredging equipment

Dredgers at work for the heavy minerals mining industry (South Africa)

Examples of mining with dredging equipment

Gravel hopper dredger mining sand & gravel offshore (North Sea)

Examples of mining with dredging equipment

Wheel suction dredger mining in rock salt (Saudi Arabia)
