

Group Marketing Market Analyst

Since its foundation in 1889, the Belgian family-owned Lhoist Group (with several thousands employees worldwide today) has pursued a strategy of intensive growth and is today a profitable group and the leader in the production of lime and dolime for the industry, agriculture and the environment. The desire for innovation and excellence at all levels within the Group translates into a broad range of high performance products, flexible logistics, effective applications and constant research into new markets. The Group's shareholders believe in a rigorous and a the same time ambitious entrepreneurial culture that should continue to ensure the development of the Group in the future..

In light of Lhoist's dynamic growth, we are looking for an international minded Market Analyst to join the Group and contribute to its continued success. We offer an opportunity to develop, across a broad range of geographical locations and varied functions, to continue your truly international career!
